ADJUDICATOR'S REMARKS

Introduction sounds slightly forced. [B] better now
 [D] should be more marcato (in p) [F] → can have
 more effect it should get more 'light' and p.
 [G] Good drive but 'machine' effect can work
 better more. Resoluto theme can come out more
 [J] needs more cantabile [O] Mind the overall
 sound (not too much cornets) [Q] Nice melody
 line. Mind intonation in bass line. Some nice
 solo work. Keep the balance in the trio. [S] Horns
 could come out more. Dim. works well. Tenor
 drum can be more clear. [U] No timp. heard.
 [V] Brilliant can be more bright. [X] rushing a
 bit. [Z] Needs more contrast in dynamics and
 keep the volume down [CC] Theme not heard
 clear in cornets. Ending loses details. Percussion
 support was not always heard. Band has good
 potential. Some talented players. Good luck
