ADJUDICATOR'S REMARKS

Plantageants

A fair attempt at the opening, but not always clear. Nice balance at (1) ensemble. The ~~g~~ through (2) is a little reserved. Wait for the entry at (3) Horns, shams, as you play well once you get going. Challenges at (6) were less settled, but Cornets do well. Ensemble at (6) lacks a little clarity and togetherness, but Horns does well. Ensemble playing has room to improve at (7) + (8), some minor slips throughout. Some very attempts at managing the dynamics although there could be more dynamic range (more ff) for me. Well done to the count + Expl prior to (11). Pity about the slips and if only you would commit to the end of phrases. Basses do better at (13). Well directed to keep a good tempo for the ensemble. Good Chorus of Trans prior to (19). Kept good tempo at (20). Committed attack at (21). A really good attempt at (23) and into (24). It is a real challenging piece and there are times when the band didn't quite meet it. A lot of effort applied and good luck for the future. Keep going and improving.
