

ADJUDICATOR'S OBSERVATIONS FOR BAND DRAWN NO. ....

When Thunders Calls - Pic  
 Well choreographed openings - just the odd unbalanced  
 band sends - great send at [G] well done conets  
 Can note very good balance and sends.  
 A great confident opening number.  
 Key's Key Mar - TC -  
 Very good band send and good detail in the playing.  
 Nice principal conet. Some well detailed playing  
 Arrangement - just occasionally the percussion (snare drum)  
 is a little loud.

Cry Me a River - Tambora Solo - Dave Belgin  
 A little untidy to begin - Nice relaxed Tambora  
 Send - well done - [E] Tutu had a little wobble.  
 Water the band is not too loud for the
